Goa Coastal Zone Management Authority

Circular

Ref. No.: 1-20-2004-C.S./1003/A

Read: (i) Circular No. 1/4/2000-CS dated 27-07-2000.

(ii) Order No. 1-20-2004-CS dated 02-07-2004.

In the 23rd meeting of the Goa Coastal Zone Management Authority (GCZMA) held on 1st September, 2005, the status of enforcement of directions (under section 5 of the Environment (Protection) Act, 1986) issued to the Collectors was discussed in details. The Authority was deeply concerned of the fact that in many cases the said directions have not been complied with

and as a result, the lengthy proceedings meant for taking action against blatant violations of the CRZ Notification of 1991 are frustrated. Consequently, the public has also developed the notion that although 'directions/orders' are issued, no action is forthcoming on the ground, for demolition of structures, which are blatantly defying the provisions of the CRZ Notification, even within the No Development Zone (NDZ). This results in proliferation of illegal constructions which are not only detrimental to the coastal eco-system, but also violate the Environment (Protection) Act, 1986 and contravene the directions issued by the Hon'ble Supreme Court and Hon'ble High Courts in various Petitions. Recently, in a public interest litigation (W.P. 399 of 2004) the Hon'ble High Court of Bombay at Goa has directed the GCZMA to proceed against the Officers who are found prima-facie to be guilty of dereliction of their duties in carrying out the orders issued by the Chief Secretary with respect to CRZ violations (copies of the order dated 15th September, 2004 is herewith annexed for ready reference).

The GCZMA has taken a very serious view of the matter and has therefore directed the undersigned to reiterate and bring to your kind notice the relevant provisions of the law and future course of action to be adopted by the GCZMA, respectively, as under:

A) Provisions of the Environment (Protection) Act, 1986:

- i) Under Section 5 of the Environment (Protection) Act, 1986, the State Government and the Goa Coastal Zone Management Authority (GCZMA) have the powers to issue directions in writing to any person, officer or any authority and such person, officer or authority shall be bound to comply with such directions.
- ii) Under Section 19 of the said Act, the State Government as well as the GCZMA are authorized to take cognizance of offences under the Act and hence can file complaints in an appropriate Court of law against any person, officer or authority that does not comply with the directions issued under the said Act.
- iii) Sections 15 and 17 of the Environment (Protection) Act, 1986, specify the penalty for contravention of the provisions of the Act and the Rules, Orders and Directions 'made/issued' thereunder and the procedure followed in case of offences by Government Departments, respectively (the provisions of the said sections are attached herewith for ready reference).

B) The course of action to be adopted by the GCZMA for issue of directions under section 5 and for the execution of the same.

- i) Directions under section 5 shall be issued to the concerned officers, by name and through registered (A/D) post.
- ii) The directions shall indicate a specific deadline by which the Compliance Report should be received in the office of the GCZMA.

- iii) If no Compliance Report is received by the said deadline, one reminder will be sent to the concerned officer, giving an extension of 10 days to the deadline.
- iv) In the event the concerned officer fails to comply with the directions as provided in the reminder, the GCZMA shall proceed against the concerned officer as provided under section 19 of the said Act, in an appropriate Court of law.

In view of the above the undersigned is further directed to advise you to comply with the directions issued by the GCZMA expeditiously.

For and on behalf of the GCZMA.

Dr. N. P. S. Varde, Member Secretary, GCZMA.

Order

No. 1-20-2004-CS

The Government is receiving numerous complaints about illegal constructions going on along the coastal belt in serious violation of the Coastal Regulation Zone (CRZ) Notification and Town and Country Planning Act. It is apparent that the concerned Government officials/agencies are neither taking appropriate action nor bringing such violations to the notice of the Government. This is in total disregard to the Government circular No. 1/4/2000-CS issued on 27-07-2000 wherein the concerned Mamlatdars/Dy. Collectors/Addl. Collectors were directed to frequently inspect all the coastal areas and submit their reports periodically at specified weekly/fortnightly intervals. However, the compliance of the said directions has been far from satisfactory. The Town and Country Planning Authorities and the Panchayats who supposedly are the watchdogs for preventing/controlling violations of planning and building regulations are also doing very little to stop such illegal constructions squarely within their jurisdictions.

Further, the Police Stations which have an important role to play within their jurisdictions, to stop any illegal activity, are often found to turn Nelson's eye towards such illegal construction activities.

The Government has taken a very serious view of the above state of affairs and is therefore constrained to issue the following directions for strict compliance:

- 1) The Mamlatdars/Dy. Collectors/Addl. Collectors shall strictly abide by the Circular No. 1/4/2000-CS dated 27-7-2000 and report any illegal construction activity/encroachment taking place not only in the CRZ, but elsewhere also. The concerned officials in their reports should certify that inspections have been carried out and no illegal constructions have been noticed, even in case no violations are observed during any particular period. A copy of

such inspection reports should be forwarded directly to the Chief Secretary on a monthly basis.

- 2) In addition, the Director General of Police should also immediately entrust responsibility to an Additional Superintendent of Police (SP) for the purpose of monitoring illegal construction activities in the coastal CRZ belt and report the same on a monthly basis independently to the Chief Secretary. The Addl. SP, in turn, should obtain weekly/fortnightly inspection reports from the Station House Officers (SHOs). Pending the appointment of Addl. SP, the Superintendents of Police (North and South Goa) shall comply with the above.

In case of any failure to take action and submit reports as per the above instructions, the Government will fix responsibility and initiate action against the recalcitrant officers.

D. S. Negi, Chief Secretary.

for Respondent Nos. 1 to 3.

Coram: B. H. Marlapalle & N. A. Britto, JJ.

Date : 15th September, 2004.

Oral Order (Per B. H. Marlapalle, J.)

This Writ Petition under Article 226 of the Constitution of India has been filed by five students of V. M. Salgaocar College of Law, Panaji, in public interest. It points out that in some coastal areas, constructions have been undertaken in disregard to the CRZ Regulations. It is further pointed out that within an area of 500 metres from the High Tide Line CRZ-I Zone, no construction activities are allowed.

2. The Petitioners, therefore, pray for directions to demolish and remove these illegal constructions.

3. On notice, Respondent Nos. 1 and 2 have filed their response. It has been pointed-out that the Chief Secretary, State of Goa issued a Circular dated 27th July, 2000, directing the Mamlatdars of the concerned talukas to make weekly visits, the Deputy Collectors to make fortnightly visits and also some Deputy Collectors/Additional Collector to make monthly visits to the Coastal areas and submit report to the State Government. They were also directed to initiate actions against the illegal constructions, if any, noticed during such inspection visits.

4. The Petitioners had sent a notice to the Chief Secretary as well as the Secretary Cum Chairman on or about 28th May, 2004, referring to the news published in a Marathi daily "Tarun Bharat" dated 8th January, 2004. It was mentioned in the news that Coast of Pernem Taluka which is touching the sea was brought under CRZ and inspite of the same, one could see constructions being carried out within the Coastal prohibited limits in disregard to the CRZ, guidelines.

5. The second instance of CRZ violations as pointed out was under Survey No. 65/3 at Lower Badem, at Waddi (on Chapora-Siolim Road, on the Bank of River Chapora). The names of the violators as stated in the said notice are Norman Edward D'Souza, Matilda Souza Nobay and Francis D'Souza, residing near Palloti House, Assagao, Bardez-Goa. After this Petition was moved, the Chief Secretary issued a fresh Order dated 2nd July, 2004, referring to the earlier Circular dated 27th July, 2000. This action of the State Government goes to show that Officers in the rank of Mamlatdars/Deputy Collectors and Additional Collectors have been made responsible to ensure that the Coastal Regulation Zone Notification is followed strictly and no illegal constructions are allowed in the Coastal areas. It appears that the Officers concerned failed in their duties.

6. Nonetheless, a Show Cause Notice dated 25th August, 2004, has been addressed to Mr. Norman D'Souza, by the Goa Coastal Zone Management Authority. This is a Show Cause Notice under Section 5 of the Environment (Protection) Act, 1986 and we hope and believe that similar action shall be provided against the owners of the other properties who have resorted to the illegal constructions and in addition to the action of demolition, penal action as provided under the Act as well as the Rules framed thereunder shall be initiated by the State Government or the Goa Coastal Zone Management Authority as the case may be.

7. We have been assured that the Show Cause Notices will be taken to their logical conclusions and the entire action will be completed as expeditiously as possible and in any case within three months from today. We also expect Respondent Nos. 1 and 2 to proceed against the Officers who are found to be prima facie guilty of their dereliction in carrying out their duties as per the Order issued by the Chief Secretary.

8. A Compliance Report in respect of these constructions pointed out in this Petition shall be submitted to the Registry of this Court within three months from today.

9. Petition disposed of.
